

Paverpol Heron

Instructor: Tamara Plugers

Materials:

- Sharp scissors
- 1 light coloured, plain, 100% cotton t shirt
 - If you can find an old ratty one, they work great! It will be cut up and used for your sculpture
- 75-100' roll of Aluminum foil
 - I HIGHLY recommend the "No Name" brand from Loblaws/ No Frills/Zehrs/Superstore/Fortinos). Honestly, you will be frustrated with any other brand. And the heavy duty is too heavy.
- 1" Masking tape
 - NOT dollar store or the green painters tape
- An apron, if you have one
- An old towel for drying dirty hands

Apparel:

- Wear old clothes & shoes
- Please don't come with beautifully manicured nails. They will not go home that way. If you want to bring snug fitting plastic gloves, by all means bring them with you because your hands WILL get dirty. It all washes off and is non toxic though.

Notes:

Food is not permitted in the studio. You may bring a closed container of water or coffee.

There will be a 1 hour lunch break. You may enjoy a packed lunch at the picnic tables overlooking the Niagara River on the Pumphouse grounds, or plan to have lunch at one of the nearby restaurants.

Please do not purchase supplies until you have been notified of the confirmation that your class is indeed proceeding as scheduled.

You will receive notification a minimum 1 week prior to the beginning of class.
